Best Attempt Pass Rates for Ohio Advanced Licensure Exams

Test	# Students Took Test	#Pass	Best Attempt
Educational Leadership	2	2	50%

Only two candidates took the Educational Leadership OAE exam in 2019-2020. Once candidates failed, thus yielding a 50% best attempt pass rate. Our advanced licensure programs have been put into dormancy due to low enrollment. As such, fewer and fewer candidates will be taking the advanced licensure exams. With so few candidates testing, the pass rates fluctuate immensely based on just one individual's performance.
